Cost: \$385

Instructions

- 1. Cut a sample of hair; enough to cover a 10 cent piece and wrap in cling wrap or pop it in a ziplock bag.**

Please do not provide single strands of hair or collect old hair from your hair brush. It is best to cut the hair fresh and we advise against using hair cut at the hair dressers as this may cause contamination and affect results. Hair does not have to be taken from the root and coloured hair is okay. If there is not enough head hair, the hair sample can be cut from anywhere on the body.

- 2. Write your name and my name (Brooke Allwood) on the outside of the sample.**

- 3. Send your details to naturopath.brooke@its-all-good.com.au**

You can send this form or just pop your details in an email with the subject 'hair test order'.

- 4. Pay invoice** - once your email has been received you will be emailed an invoice. Please note invoice must be paid before you post your sample to the lab. Your results will be emailed out as soon as they have been received.

Payment can be made via direct deposit, PayPal or credit/debit card by following the prompts/links within the email.

- 5. Post hair sample directly to the lab**
