Instructions

1. Cut a sample of hair, enough to cover a 10 cent piece and wrap in cling wrap.

Please do not provide single strands of hair or collect old hair from hair brush. It is best to cut the hair fresh and we advise against using hair cut at the hair dressers as this may cause contamination and affect results. Hair does not have to be taken from the root and coloured hair is okay. If there is not enough head hair, the hair sample can be cut from anywhere on the body.

2. Post hair sample along with this form to:

It's All Good
11 Monash Street, Golden Beach 4551 QLD

3. Pay invoice. Once your sample and form have been received you will be emitted an invoice. Invoice must be paid for the sample to forwarded to the lab. Your results will be emailed out as soon as they have been received.

Payment can be made via direct deposit, PayPal or credit/debit card by following the prompts/ links within the email.
